Highlights

☆ Masai Mara National Reserve ☆ Amboseli National Park

Amboseli National Park

This is where it all begins, where you join us on the first step of our journey together. You'll meet your friendly expert guide and we'll get the formalities out of the way quickly so that we can get out there and start enjoying the safari you've been dreaming of.

Amboseli may be smaller than many other Kenyan parks, but it packs a lot into a very small space. For starters, the views here are astonishing because Africa's highest mountain, Mt Kilimanjaro (5895m), looms over the park to the south. Best of all, the mountain provides a backdrop to many fantastic wildlife sightings that almost always include elephants with big tusks, as well as lions, cheetahs, hyenas, zebras, buffaloes, giraffes, wildebeests and gazelles. Birders can also look for the park's 420 different recorded species.

Accommodation | Day 1

Amboseli Sopa Lodge

Lodge | Mid-Range | Just outside Amboseli National Park

There are lots of reasons to like Amboseli Sopa Lodge, your base for visiting Amboseli National Park. The lodge has a quiet location some distance east of the park, the restaurant and bar are good, and the rooms have plenty of color and character. Best of all are the Mt Kilimanjaro views from the swimming pool and other places around the expansive grounds.

Masai Mara National Reserve

We think you'll love the Masai Mara National Reserve, one of the best places to watch wildlife anywhere in Kenya. You're almost guaranteed to see plenty of predators, including lions, leopards, cheetahs and spotted hyenas. With so many impalas, zebras, wildebeests, buffaloes and other prey species here, as well as over 500 bird species, you'll see plenty of safari action. Black rhinos are possible in the Mara Triangle. Also everywhere are elephants, giraffes and hippos, and everyone who visits falls in love with the Masai Mara's classic safari landscapes.

Early Morning Game Drive, Amboseli National Park

Imagine being out in the soft, early morning light, wrapped in a blanket, just as the animals emerge from their night's rest or from the shadows of their nighttime adventures. The world feels fresh and new on an early morning game drive, the sun has yet to beat down upon the earth, and it may end up being your favorite time to be out on safari.

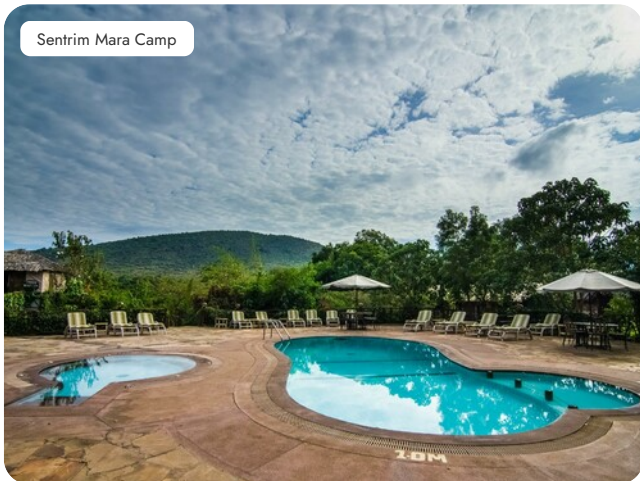

Accommodation | Day 2

Sentrim Mara Camp

Tented camp | Mid-Range | Just outside Masai Mara National Reserve

Sentrim Mara Camp is well located in the eastern, wildlife-filled reaches of the Masai Mara National Reserve. You'll be sleeping in safari tents that rest on elevated platforms, and the lodge grounds shelter a swimming pool, a bar and a restaurant. It's an outstanding base for your explorations of the Mara.

Kenya Bush Tracks Safaris

We are a small, local, personal, family-run safari company, offering privately – guided safaris primarily in East Africa, which is by far and away the best way to explore this area – Out of Africa – style!

We believe that every safari should be different because each person is different. Safaris should be customized and tailor-made to suit each individual, couple, family or group.

Communication is the key in planning a great safari, right from the start. From the first email, phone call or whatsapp text, we work with you, discovering your likes and dislikes, hobbies and passions, so that your trip is not just about travelling somewhere – it's about the people you meet, the places you discover and the memories you make along the way.

As a tour operator in Kenya, we always make sure when book with us that our safari guides will travel with you wherever you would like to go – very much in the style of the great safaris of yesteryear.

This can be interspersed with a handful of hand-picked small luxury camps and lodges some of which we've partnered with for years, or specialist adventures, such as flying, camping under the stars, camel treks, hot-air balloon rides, horse riding – whatever you would like to do!

Attention to detail is what we do best, so every aspect of your safari is planned with precision and any questions you might have are answered with detail and an intimate knowledge of the region we know, lived and love so much.
