# Amboseli National Park

You'll be visiting one of the best safari parks in Africa when you come to Amboseli. The park is filled with big-tusked elephants, and Mt Kilimanjaro, Africa's highest mountain (5895m), looms over Amboseli. This combination makes for some fantastic photos, especially when the clouds clear over the summit as they do most days around sunrise and sunset. You also have a good chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes (out in the park's east), wildebeests and plenty of gazelles. The park is also terrific for birding, with 420 species recorded.

Accommodation | Day 2

**Kibo Safari Camp**

Tented camp | Mid-Range | Just outside Amboseli National Park

Just outside the eastern (Kimana) gate of Amboseli National Park, Kibo Safari Camp is your excellent base for exploring this special park. You'll sleep in large, stone-floored safari tents, many of which have fabulous views of Mt Kilimanjaro whenever the clouds clear over the summit. The hand-crafted wood furnishings are a lovely touch, and there's a swimming pool, bar and restaurant as well.

# Lake Naivasha

You'll visit Lake Naivasha and have the pleasure of exploring this pretty, high-altitude Rift Valley lake. There are lots of attractions, especially along the southern lakeshore. You might even see hippos, giraffes or zebras. But Lake Naivasha's greatest appeal is the lake's natural beauty and the variety of experiences you can have while you're here.

## Lake Elementaita

Visit Lake Elementaita, a starkly beautiful world of flamingos and pelicans.

# Masai Mara National Reserve

One of our favorite places to look for wildlife in Kenya is the Masai Mara National Reserve. That's because the wildlife here is incredible, with big cats (lions, leopards and cheetahs) and elephants among the highlights, not to mention black rhinos in the Mara Triangle. There's a very good chance you'll also see giraffes, buffaloes, wildebeests, zebras, hippos, hyenas, and, of course, impalas. And bring your binoculars, because more than 500 species of birds have been recorded in the reserve. It's a place of beautiful savannah landscapes as well, with lots of acacia trees.

## Walking safari, Crescent Island Game Park

You'll never get tired of going on a walking safari, where you'll leave behind the vehicle and step out into the wild. It can be a little nerve-racking at first, but you'll be walking with an experienced guide and it's very safe. It can be a real thrill walking in this way, and most people fall in love with the experience.

Accommodation | Day 5

### Sarova Mara Game Camp

Tented camp | Luxury | Inside Masai Mara National Reserve

Your base in the Masai Mara National Reserve is the excellent Sarova Mara Game Camp. There are also lounge and dining areas in camp, as well as a swimming pool.

Going on safari once in the Masai Mara is a privilege, but you get to return to this special place and enjoy it all over again.

## Early Morning Game Drive, Masai Mara National Reserve

Put on some warm clothes and enjoy an early morning game drive. This is the perfect time to experience the wildlife and the landscapes they inhabit. The light is soft and warm – perfect for photography – and most animals are out and about, and active. If you're not an early riser, you'll definitely want to make an exception here.

# Kenya Bush Tracks Safaris

We are a small, local, personal, family-run safari company, offering privately – guided safaris primarily in East Africa, which is by far and away the best way to explore this area – Out of Africa – style!

We believe that every safari should be different because each person is different. Safaris should be customized and tailor-made to suit each individual, couple, family or group.

Communication is the key in planning a great safari, right from the start. From the first email, phone call or whatsapp text, we work with you, discovering your likes and dislikes, hobbies and passions, so that your trip is not just about travelling somewhere – it's about the people you meet, the places you discover and the memories you make along the way.

As a tour operator in Kenya, we always make sure when book with us that our safari guides will travel with you wherever you would like to go – very much in the style of the great safaris of yesteryear.

This can be interspersed with a handful of hand-picked small luxury camps and lodges some of which we've partnered with for years, or specialist adventures, such as flying, camping under the stars, camel treks, hot-air balloon rides, horse riding – whatever you would like to do!

Attention to detail is what we do best, so every aspect of your safari is planned with precision and any questions you might have are answered with detail and an intimate knowledge of the region we know, lived and love so much.
