Masai Mara National Reserve

This is where it all begins, where you join us on the first step of our journey together. You'll meet your friendly expert guide and we'll get the formalities out of the way quickly so that we can get out there and start enjoying the safari you've been dreaming of.

We think you'll love the Masai Mara National Reserve, one of the best places to watch wildlife anywhere in Kenya. You're almost guaranteed to see plenty of predators, including lions, leopards, cheetahs and spotted hyenas. With so many impalas, zebras, wildebeests, buffaloes and other prey species here, as well as over 500 bird species, you'll see plenty of safari action. Black rhinos are possible in the Mara Triangle. Also everywhere are elephants, giraffes and hippos, and everyone who visits falls in love with the Masai Mara's classic safari landscapes.

Nairobi (Day 1)

Getting to know Nairobi is a wonderful addition to your safari, with the city's museums, markets, shops, wildlife-rescue centers, restaurants and nightlife. Nairobi even has its own (excellent) national park.

Lake Nakuru National Park

On your visit to Lake Nakuru National Park, you can expect some fantastic wildlife experiences. Flamingos have returned to the lake in varying numbers. You might also see tree-climbing lions, endangered Rothschild's giraffes, and the park's thriving populations of both black and white rhinos. And because the park is relatively compact, your chances of seeing these and other animals are excellent. The park's scenery, too, is a highlight, with the picturesque lake as a centerpiece. The acacia woodlands are especially pretty, and the views of the lake are best from the Out of Africa Lookout (where some scenes from the 1985 film were shot).

Accommodation | Day 3

Sentrim Elementaita

Lodge | Mid-Range

Overlooking Lake Elementaita with fabulous lake views, Sentrim Elementaita has large bungalow rooms with stone floors, and an overall sense of light and space. Lake Naivasha

Of all Kenya's Rift Valley lakes, high-altitude Lake Naivasha offers the richest variety of experiences. There's lots to do here, and you might even see zebras, giraffes or hippos. Its human story is also fascinating: Lake Naivasha was popular with colonial types as an escape from the city, and it plays a similar role for locals now, especially on weekends.

Kenya Bush Tracks Safaris

We are a small, local, personal, family-run safari company, offering privately – guided safaris primarily in East Africa, which is by far and away the best way to explore this area – Out of Africa – style!

We believe that every safari should be different because each person is different. Safaris should be customized and tailor-made to suit each individual, couple, family or group.

Communication is the key in planning a great safari, right from the start. From the first email, phone call or whatsapp text, we work with you, discovering your likes and dislikes, hobbies and passions, so that your trip is not just about travelling somewhere – it's about the people you meet, the places you discover and the memories you make along the way.

As a tour operator in Kenya, we always make sure when book with us that our safari guides will travel with you wherever you would like to go – very much in the style of the great safaris of yesteryear.

This can be interspersed with a handful of hand-picked small luxury camps and lodges some of which we've partnered with for years, or specialist adventures, such as flying, camping under the stars, camel treks, hot-air balloon rides, horse riding – whatever you would like to do!

Attention to detail is what we do best, so every aspect of your safari is planned with precision and any questions you might have are answered with detail and an intimate knowledge of the region we know, lived and love so much.
